APPENDIX A: BSHS ALUMNI EXIT SURVEY

Questions for all alumni:

(choose one):

(choose all that apply)

For *only* those who select “employed” in the previous question

The screenshot shows a survey question with a Likert scale and multiple choice options. The scale ranges from "Not Often applicable" to "Always". The question text is partially obscured but includes the following items:

- Relationships - I respect the privacy of my clients.
- Attitude - I demonstrate emotional maturity and am receptive to feedback.
- Interpersonal Communication - I communicate effectively with staff and clients.
- Professionalism - I present myself in a professional manner, am well organized, and demonstrate good time management skills.
- Autonomy - I am a self-starter and accomplish assigned tasks with minimum supervision.
- Quality - I produce accurate and thorough work.

The scale has five points, with "Not Often applicable" on the left and "Always" on the right. The "Interpersonal Communication" item has a radio button selected at the "Always" end of the scale.

choose one —

For *only* those who select “in school” in Question 4

For *only* those who select “not employed / not in school” in Question 4

For *only* Health Educator Track Graduates
