Assessment shows that INTL students meet or exceed expectations on the INTL PSLOs. INTL students have been consistently some of the better students in the various classes. INTL majors who lag on performance measures receive additional support through advising, referral to language tutors and the Writing Center, and personal work with instructors. That said, the majority of INTL students thrive; in fact, two INTL students wrote final papers in HIST 390 Genocide, Fall 2020 that were some of the best ever seen by that faculty member.

Programs are not required to respond to question #8 below for their report due on October 15, 2021. Question #8 will be required for the next round and moving forward.
