

UAA ALASKA NATIVE STUDIES DEPARTMENT

INDIGENOUS PEOPLES DAY ACTIVITY

Monday

9

October

Indigenous Peoples Day Activities

UAA CAMPUS RASMUSON HALL
ROOM 101

4:00 - 5:30 PM

Maria Williams (Tlingit) will provide a brief lecture on the clan system - and then the participants will form into smaller groups and re-create a fictional Tlingit village - this is a fun activity that provides insights into the protocols and the complex rules of Tlingit society. Be prepared to learn and have fun!
