2. Please note commendable progress over the last year.

KB:

- x Appreciate the excellent communication by the superintendent to the Board.
- x Appreciate notification of any event that might be of interest to the Board.

DB:

- x The superintendent's performance has been, and is, a model for how these kinds of communications should be conducted. We will be asking for this again this year.
- x The extensive use of advisory/planning groups and regularly reporting their work to the board assures us that the community (owners) have active participation in decision making.
- x Updates to the board come regularly (often daily) and in multiple forms.

CDH:

- x The superintendent has always gone above and beyond with his communication with the board. During the last session, the board appreciates the effort to keep us informed and up to date at all times.

JM:

- x This is an area of particular success. The board is always informed and kept up to date on pertinent issues. This has been particularly notable when there have been issues with media

coverage of wide-ranging concerns; communication has been timely, thorough and well articulated.
