KR:

- x Current shared metrics while useful and informative, seem primarilydban responses/interactions with stakeholders of relative privilege (i.e. individuals with internet access, resources to serve on committees, etc.). Includes both positive interactions and those of concerned stakeholders (people usually only speakthpyifthink it will matter).
- 4. Comments on the report itself.

KB:

x Very appreciative of all of the hard work that the district does to inform our stakeholders as to what is happening in our district and inside of all of our schools
